

Dear Parents:

With the weather warming up, we will be spending longer periods of time outdoors. We are asking for permission to place sunscreen on each child. If you would like your child to have sunscreen, you will need to send a bottle of sunscreen to the school with them as soon as possible. If your child is allergic to a certain kind or cannot have sunscreen applied for any reason, please list that below and return to your child's teacher.

My child, _____, may have sunscreen applied to them at Kennedy Academy when they are outdoors at any time. I give permission for the staff to apply sunscreen that I either provided by me or the school.

My child, _____, may NOT have sunscreen applied to them at Kennedy Academy when they are outdoors. I understand the risk associated with my child not wearing sunscreen when outdoors, which includes exposure to UV rays and sunburn.

Please provide additional comments below for special instructions (sunscreen allergies, etc):
